Your
SafetyNET 
Non-Emergency Transportation

*Do you need
safe, reliable
transportation
for your medical
appointments?*

Let us transport you.

Your Safety NET is interested in picking you up at your home! We provide transportation to and from medical appointments Monday through Saturday. Your trips are scheduled and dispatched through our specialized transportation network so we can keep our costs as low as possible. If you have your own Health Insurance Plan, you will need to inquire to see if you are covered for NEMT under your plan. In some cases, NEMT is provided at no cost to you, and you can have as many rides as you need.

Our exclusive transportation services cover all medical appointments such as:

- * Doctor's appointments
- * Non-emergency hospital visits
- * Hospital discharges
- * Kidney dialysis
- * Physical therapy
- * Rehabilitation services
- * Dental appointments
- * Eye doctor appointments & more!

Our non-medical transportation can take you on/to:

- * Long distance trips
- * Airports
- * Grocery stores
- * Pharmacies
- * Court appearances
- * Train or Bus stations
- * Special occasions
- * Family outings
- * Sporting events & more!

How Do I Schedule A Ride?

Call (314) 532-0516 or Email us at: ride@yoursafetynet.org within 24 hours of your appointment. This does not include weekends or holidays.

What Information Do I Need To Provide?

- * Name
- * Date of Birth
- * Pick up & Drop off addresses
- * Contact Number
- * Any Special Needs
- * 24 hours notice
- * Appointment duration, if known

What If I Have Weekly Appointments To Keep?

Your Safety NET handles patients' regular weekly appointments and can make sure that you have a dependable ride each week to get there.

Fees and Payments

Our fees are based on area & travel distance. We accept pre-approved insurance, check or cash. Visit yoursafetynet.org/maps.html to find out if we cover your area!

Our patients know that safety and dependability go hand-in-hand. That is why we strive to make your ride the safest and most reliable form of transportation available. We realize that it is not only the road that leads us to our destination, but our commitment to safety.

We want the level of compassion that we have for our patients to be felt every time we do our job. From the interior of our vehicles to the waiting room, it is our true aspiration that you, the patient, know that you are in the very best hands.

Scheduling your next trip should be easy and we want to show you just how simple we make it! Our Ride Line is our dedicated phone line that allows patients to call in and request their ride. Our Ride Mail is our dedicated email that allows patients to schedule their ride with the click of a mouse. The only information that is needed includes your name, date-of-birth, pick-up and drop-off addresses and any special needs. To find out about this and any of our other services, please visit: www.yoursafetynet.org!
